Senior designer, Product manager

IF design Award

Kapok design award

Reddot award

Duke Zhao, a senior creative designer. He has 15 years experience, including 13 years of sanitary product design. The sanitary product design includes the wholeline of sanitary products (a series of hardware products, such as closets, bathcabinets, faucets, showers, bathtubs, hardware pendants, etc.).

The sanitary industry is a huge integrated system, which ultimately serves the use experience of consumers as the benchmark. The grasp of every detail of sanitary products and the direction of putting them on the market will determine the value generated in the future, which requires us, as designers, to master all aspects of product knowledge.

For the development and design of new products and the supporting and planning of existing products, he has accumulated certain experience and ability. He has personal opinions on the future development of the bathroom industry. He has a strong sense of innovation, cross-border integration, product planning and organizational capabilities.

by Duke Zhao

# SKY

by Duke Zhao

The SKY Collection, designed by visionary Chinese designer Duke Zhao, redefines luxury bathroom design. Inspired by the expansive view through an airplane window, it symbolizes a broader world. Each piece, from taps and showers to bath fillers, seamlessly integrates avant-garde design with intelligent functionality.

A standout feature is the digital knob with the temperature display, offering precise temperature control and promoting sustainability. Key highlights include high-performance faucets with ceramic cartridges and modern finishes, and showers.

Zhao's vision combines China's architectural heritage with futuristic innovation, turning everyday rituals into delightful experiences.

*Duke Zhao*

The SKY 11 1101BCG basin mixer blends modern design with advanced tech. Its brass cylindrical body houses a digital display, offering real-time water temperature monitoring for enhanced control and sustainability.

The rectangular spout, fitted with a PERLATOR\* aerator, ensures a smooth, splash-free flow. The intuitive digital knob controls volume and temperature effortlessly.

This deck-mounted faucet features durable brass construction, a long-life ceramic disc cartridge tested to 500,000 cycles, and easy installation with pre-attached supply lines.

## 11 1101BCG

Single-lever Basin Mixer

The SKY 11 1102BCG Comfort Basin Mixer blends tech with comfort. Its solid brass body features a digital display porthole and dial knob inspired by airplane windows, offering real-time temperature control to save water and energy.

The mixer includes a rectangular fillet spout with a PERLATOR\* aerator, providing a soft, splash-free stream that reduces noise and limescale. The SKY digital knob simplifies use, while the durable ceramic cartridge lasts up to 500,000 cycles.

Designed with Duke Zhao, this single-hole, deck-mounted mixer comes with flexible supply lines for easy installation.

11 1102BCG

Single-lever High Basin Mixer

The SKY 11 1702BCG single lever wall-mounted basin mixer is a perfect fusion of style and innovation. Made from solid brass, it features a wall-mount plate and a digital knob that displays water temperature in real-time, enhancing energy efficiency.

The faucet's rectangular spout with rounded edges offers a modern look, while the PERLATOR\* aerator ensures a soft, splash-free stream, reducing noise and limescale. Tested to 500,000 cycles, the EMPOLO Select ceramic disc cartridge guarantees durability.

This mixer is easy to install with single-hole mounting and pre-attached supply lines, elevating both functionality and aesthetics in your bathroom.

---

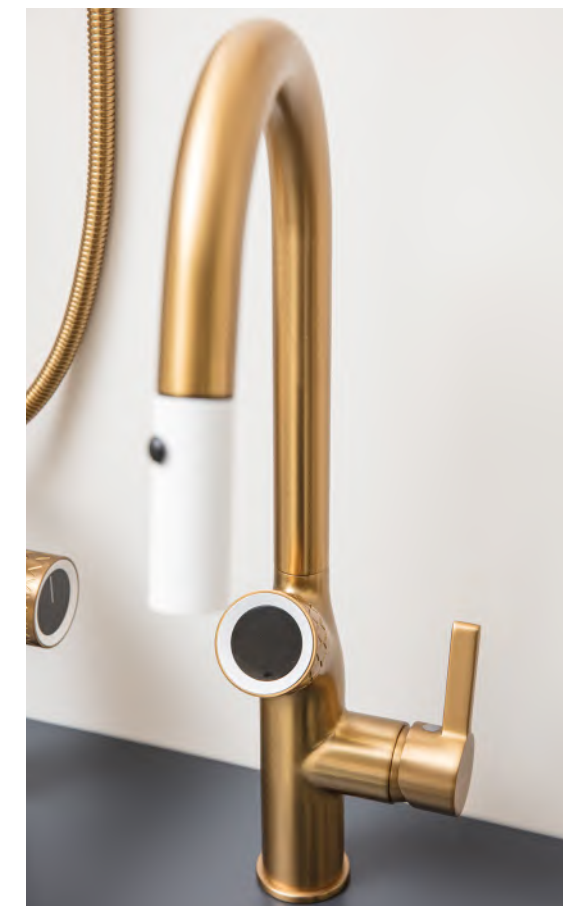

Wall-mounted Basin Mixer

The SKY 11 2101BCG kitchen faucet with pull-out spray offers elegant functionality. Its solid brass gooseneck design features a single lever with a temperature display knob.

The pull-out spray spout, fitted with a SLIM Air HONEYCOMB\* aerator, provides a soft, aerated stream that prevents splashing and reduces limescale build-up.

The digital knob allows real-time temperature monitoring and intuitive control, promoting ease of use and energy savings. Fitted with a durable EMPOLO Select ceramic disc cartridge, this deck mixer is reliable and easy to install, making it a sophisticated upgrade for any kitchen.

11 2101BCG

Single-lever Kitchen Mixer

The SKY 11 4101BCG digital display bath/shower mixer seamlessly blends contemporary design with advanced functionality.

It features a solid brass wall-mounted cylindrical body with round flanges that complement the Sky digital knob with temperature display.

This innovative knob not only displays real-time water temperature, but also promotes energy efficiency by allowing users to monitor and control water usage. The intuitive interface enhances the user experience and provides precise control of water temperature and flow to save energy.

Equipped with an EMPOLO Select long-life ceramic disc cartridge tested to 500,000 cycles, this mixer ensures durability and reliability. Crafted from high quality brass and designed for easy wall mounting with pre-attached flexible supply lines, it offers both style and performance.

## 11 4101BCG

Single-lever Shower Mixer

The SKY 11 3101BCG single lever digital display bath-shower basin mixer.

This mixer features a solid brass cylindrical body with round flanges and a digital knob displaying real-time water temperature. This innovative knob enhances user experience by providing precise control over water temperature and flow, promoting energy efficiency and sustainability.

The spout's rectangular design with cornered edges offers a modern look, while the PERLATOR\* Coin Slot Aerator delivers a soft, aerated stream that prevents splashing, reduces noise, and minimizes limescale buildup. Tested for 500,000 cycles, the EMPOLO Select ceramic disc cartridge ensures long-lasting durability and reliability. This mixer is designed for easy wall-mount installation with preattached flexible supply lines.

11 3101BCG

Single-lever Shower/Bath Mixer

The SKY 11 3601BCG multi functional digital display console shower combo merges modern design with advanced functionality. It features a solid brass wall-mounted column shower set with a digital display console.

The Sky Digital Knob with temperature display offers real-time water temperature monitoring, enhancing energy efficiency and user control. The combo includes a wide overhead shower and a rainfall hand shower with a flexible hose for convenience and a luxurious shower experience.

Tested for 500,000 cycles, its ceramic disc cartridge ensures durability. Easy to install with preattached supply lines, this shower combo is designed with Duke Zhao for style and performance.

Single-lever Shower/Bath  
Combination

The SKY 11 3801BCG digital display bath mixer with hand shower is a blend of elegance and functionality. It features a solid brass cylindrical design with a hand shower attachment for versatile use. The built-in diverter allows easy switching between the bath filler and hand shower.

The digital knob with temperature display offers precise control and energy efficiency. The rectangular spout design with SLIM Air HONEYCOMB\* aerator provides a soft, splash-free stream, reducing noise and limescale build-up.

With the EMPOLO Select ceramic disc cartridge and premium brass construction, this bath filler ensures durability and reliability, making installation easy and enhancing the luxury bathing experience.

## ◆ Bathroom Accessories

The SKY 911 03ABCG toilet paper holder with wood shelf is a stylish and practical bathroom accessory. It features a wood shelf for storage and a convenient toilet paper hook.

Supported by solid brass wall mounts with a SKY porthole knob, it matches other SKY collection items. Made from premium brass with a PVD coating for durability, it's designed by Duke Zhao and easily installed with a wall mount screw system.

911 03ABCG

Paper Holder

The SKY 911 02BCG towel crochet is an elegant and practical addition to any bathroom, featuring a solid brass cylindrical wall support adorned with the SKY porthole knob and a sleek towel ring. It coordinates seamlessly with other elements of the SKY collection, ensuring a cohesive and sophisticated bathroom design.

Made from premium brass, it offers exceptional durability and reliability, enhanced by a PVD coating that exceeds industry standards for increased product longevity. Designed in collaboration with Swiss senior architect and interior designer Aref Fourati, this towel ring is easy to install with a wall mount drill cache screw system, combining style and functionality in one refined accessory.

911 02BCG

Towel Ring

The SKY 911 08BCG double towel bar combines functionality and luxury with its double solid brass bar, supported by two solid brass cylindrical wall brackets, topped with the distinctive SKY porthole knob. This elegant piece coordinates perfectly with other elements in the SKY collection to create a cohesive and stylish bathroom design.

Crafted from high quality brass, the towel rail is built for durability and reliability. Installation is straightforward, utilising a wall fixing drill and cache screw system. As well as being aesthetically pleasing, this double towel rail is highly durable thanks to its PVD coating, which exceeds industry standards and significantly increases product longevity.
