REFINE

by Aref Fourati

In the world of luxury bathroom design, the REFINE collection by Aref Fourati for Empolo is a masterpiece of understated elegance. Combining Swiss precision with fluid grace, this collection of showers and accessories offers a new definition of modern luxury.

This minimalist yet intelligent design element is a symbol of refined simplicity. Each piece is designed to eliminate visual clutter, with each line serving both form and function. Premium matt finishes in gunmetal and brushed rose gold add a touch of understated luxury. The REFINE collection is a statement of modern luxury. It suggests that true refinement lies in stripping away the unnecessary to create products that instinctively feel right from the first touch. From rainfall showers to elegant accessories, the collection reveals its quiet intelligence through daily use.

For those who appreciate luxury in the details, the REFINE collection offers a new grammar of bathroom elegance. Every interaction feels effortless and every glance is rewarded with quiet beauty.

REFINE

by Aref Fourati

The REFINE 15 1101A-BRG standard single lever basin mixer features a solid brass cylindrical standard body with a REFINE design horizontal lever, an elongated spout with a PERLATOR* coin slot aerator for a soft aerated stream that prevents splashing, reduces noise and minimises limescale and hard water build up, easily removable with a Neoperl key or coin.

This basin mixer is supported by the EMPOLO Select long-life ceramic disc cartridge, ensuring reliable performance for over 500,000 cycles. Constructed from high quality brass for durability and reliability, it installs as a deck mount for single hole installation with pre-attached flexible supply lines for easy set-up.

15 1101A-BRG

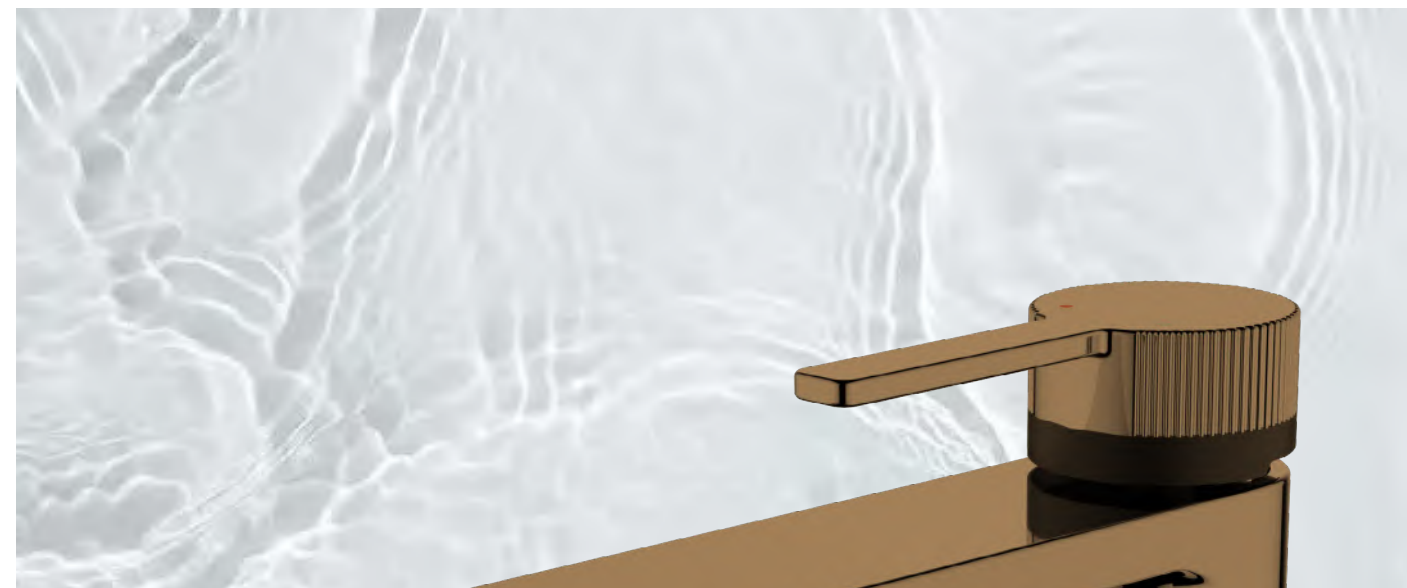

Single-lever Basin Mixer

The REFINE 15 1102A-BRG Comfort single lever basin mixer has a solid brass body with a cylindrical design, enhanced by EMPOLO's Comfort Space Design for ample hand washing space. The extended spout features a PERLATOR aerator that provides a soft, aerated flow of water to prevent splashing, reduce noise and minimise limescale build-up.

It's easy to remove with a coin. Backed by EMPOLO's ceramic disc cartridge, it promises to last over 500,000 cycles. Manufactured from high quality brass, this mixer ensures long lasting performance and reliability.

15 1102A-BRG

Single-lever High Basin Mixer

The REFINE 15 1702A-BRG single lever wall mount basin mixer features a solid brass wall-mount escutcheon and an elongated spout with a Perlator* coin slot aerator. This provides a soft, aerated stream that prevents splashing and reduces noise. It also minimises limescale and hard water build-up while saving water.

The REFINE single lever handle provides precise control over the water's volume and temperature and is supported by an EMPOLO Select ceramic disc cartridge that is designed to last for 500,000 cycles.

Made from premium brass for exceptional durability and reliability, this mixer is easy to install with pre-attached flexible supply lines and is designed for wall-mount installation.
