Senior designer, Product manager

IF design Award

Kapok design award

Reddot award

Duke Zhao, a senior creative designer. He has 15 years experience, including 13 years of sanitary product design. The sanitary product design includes the whole line of sanitary products (a series of hardware products, such as closets, bath cabinets, faucets, showers, bathtubs, hardware pendants, etc.). The sanitary industry is a huge integrated system, which ultimately serves the use experience of consumers as the benchmark. The grasp of every detail of sanitary products and the direction of putting them on the market will determine the value generated in the future, which requires us, as designers, to master all aspects of product knowledge. For the development and design of new products and the supporting and planning of existing products, he has accumulated certain experience and ability. He has personal opinions on the future development of the bathroom industry. He has a strong sense of innovation, cross-border integration, product planning and organizational capabilities.

LOMANNI
by Duke Zhao

LOMANNI
by Duke Zhao

Rooted in the LOMANNI design philosophy of "simplicity and steadiness", this brushed gold faucet interprets understated luxury with clean lines and elegant proportions.

Made of solid brass, it adopts sleek cylindrical shape and elegant curved spout with exquisite craftsmanship. The fingerprint-proof brushed gold surface presents superior texture. Its aerated spout ensures smooth splash-free water flow, and the ergonomic handle enables easy adjustment of water temperature and flow.

Perfect for modern and transitional bathroom styles, it brings elegant charm to the space. It perfectly shows LOMANNI's core idea: classic design, practical function and exquisite life experience.

The LOMANNI standard single lever basin mixer 839 1101AMB. Crafted from solid brass, this mixer features a sleek cylindrical body design that exudes minimalist sophistication. The Neoperl aerator spout provides a soft, aerated water flow, enhancing efficiency, and the noise silencer ensures a peaceful environment. It is water-saving.

The single lever handle allows for precise control over the flow rate and temperature. Backed by a Sedal ceramic disc cartridge with a durability rating of 500,000 cycles, this mixer is a reliable choice for any bathroom.

Its deck-mount design is suitable for single-hole installation and comes with pre-attached flexible supply lines for easy installation. Finished in matte black, it blends seamlessly into modern interiors.

839 1101AMB

Single-lever Basin Mixer

The LOMANNI comfort single lever basin mixer 839 1102-2ABG. With its solid brass cylindrical body, this mixer features a sleek, modern design that complements any above-counter basin.

The extended spout is fitted with a Neoperl aerator, delivering a soft, aerated stream to prevent splashing, while the built-in noise silencer ensures a peaceful bathroom ambience. It also helps reduce limescale buildup, making it an eco-friendly choice. The minimalist single lever handle allows easy control of both flow rate and temperature. Built to last, it features a premium ceramic disc cartridge rated for 500,000 cycles, crafted from high-quality brass for long-term durability.

Its deck-mount design suits single-hole installation, and pre-attached flexible supply lines make setup quick and hassle-free, ideal for above-counter basins.

839 1102-2ABG

Single-lever High Basin Mixer

The LOMANNI wall mount basin mixer 839 1703. A fusion of modern design and practical functionality, this wall-mounted mixer features solid brass construction for durability and a premium feel. The cross-handle design offers effortless control over flow rate and temperature.

The Neoperl aerator spout delivers a soft, aerated stream to prevent splashing, with a built-in noise silencer for quiet operation. It reduces limescale buildup and promotes water conservation.

Backed by a premium ceramic disc cartridge with a 500,000 cycles lifespan, it's built to last. Its wall-mount design is ideal for clean-look installations, with pre-attached flexible supply lines for simple setup.

839 1703

Wall-mounted Basin Mixer

The LOMANNI 3-hole basin mixer 839 7001BG.

Crafted from solid brass with a refined brushed gold finish, this three-hole basin mixer blends modern minimalism with practical functionality. The graceful gooseneck spout delivers ample clearance for everyday use, while separate lever handles allow precise, effortless control over hot and cold water flow.

Equipped with a Neoperl aerator, it provides a soft, splash-free aerated stream, reducing limescale buildup and supporting water conservation. Built with premium ceramic disc cartridges rated for 500,000 cycles, this mixer ensures long-lasting, reliable performance.

Designed for deck-mounted three-hole installations, it comes with pre-attached flexible supply lines for quick, clean setup. Its sleek, symmetrical silhouette adds understated luxury to contemporary bathrooms.

839 7001BG

3 Holes Basin Mixer

The LOMANNI single lever kitchen mixer 839 2101MB.

Where modern design meets everyday function.

Crafted from solid brass with a sleek matte black finish, this mixer features a graceful gooseneck spout that stands out in any kitchen. The Neoperl aerator provides a soft, aerated stream to reduce splashing, noise and water waste, while resisting limescale and hard water buildup.

The minimalist single lever offers intuitive control over flow rate and temperature. Built with a premium ceramic disc cartridge rated for 500,000 cycles, it delivers reliable, long-lasting performance. Its deck-mount design suits single-hole installation, with pre-attached flexible supply lines for quick, hassle-free setup.

839 2101MB

Single-lever Kitchen Mixer

The LOMANNI wall mount shower set 839 3601MB. This wall-mounted shower set features solid brass construction for lasting durability. It includes a large overhead shower, a multi-function hand shower with flexible hose, and a diverter valve for easy function switching.

The Neoperl aerator reduces noise and limescale buildup. A single-lever handle allows precise control of water flow and temperature, backed by 500,000 cycles ceramic cartridge for reliable performance. Designed for exposed installation with pre-attached lines for quick setup.

839 3601MB

Single-lever Shower/Bath Combination

The LOMANNI floor-standing shower/bath mixer 839 3802.

Crafted from solid brass with a sleek chrome finish, this floor-standing mixer blends minimalist design with practical functionality. It features a tall gooseneck spout and a multi-function hand shower with a flexible hose, offering versatile bathing options.

The dual lever handles allow precise control over water flow and temperature, while the premium ceramic disc cartridge, rated for 500,000 cycles, ensures long-lasting reliability. Its freestanding design adds a modern, luxurious statement to any bathroom.
